–
13:30**

Everything you need to Know

For the Easter Egg Hunt - please register in Advance

We're asking participants to register in advance by either emailing us at **jerseyfarm@hotmail.com** or by sending a DM to the JFRA Facebook site before 20th March. Once registered, we will send you the quiz sheet which you can complete at any time before the competition ends on Sunday 24th March. Once registered, we will send you the quiz sheet which you can complete at any time before the competition ends on Sunday 24th March.

When and where will the Easter Egg Hunt take place?

Clues to complete the quiz will be hidden along Jersey Lane between Briar Road and Sandringham Crescent and within the fenced area of the Adventure Playground on the Jersey Farm Open Space. Clues will be available from 16th March until the prize giving at midday on Sunday 24th March. This will allow you plenty of time to head outside with the kids to hunt for clues to complete the quiz.

How do I enter the Competition?

Simply bring your completed quiz sheet to the Jersey Farm Community Centre in St Brelades Place between 12:00 and 13:30 on Sunday 24th March. If you have worked out the secret message, you'll get a prize!

What Easter activities will take place at the Community Centre on 24th March?

A full programme of events have been organised, including:

- Fun activities for the children, including egg and spoon races and pin the tail on the bunny!
- Free hot and cold refreshments for everyone.
- A raffle with unique prizes donated by local celebrities.

How much does it cost to enter the competition?

The event is completely free to all participants, but we will be accepting donations to the St Albans Food Bank for those that are willing and able to contribute.
