

## **Accessibility statement for Sandridge Parish Council**

This accessibility statement applies to [www.sandridge-pc.gov.uk](http://www.sandridge-pc.gov.uk)

We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts using browser or device settings
- You should be able to zoom in without the text spilling off the screen
- navigate most of the website using a keyboard or speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

### **How accessible this website is**

We know some parts of this website are not fully accessible, for example:

- you cannot modify the line height or spacing of text
- most older PDF documents are not fully accessible to screen reader software
- you might not be able to skip to the main content when using a screen reader

### **Enforcement procedure**

The Equality and Human Rights Commission (EHRC) is responsible for enforcing the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018

(the 'accessibility regulations'). If you're not happy with how we respond to your complaint, [contact the Equality Advisory and Support Service \(EASS\)](#).

### **Technical information about this website's accessibility**

Sandridge Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

### **Compliance status**

The website has been tested against the Web Content Accessibility Guidelines (WCAG) 2.2 AA standard.

This website is partially compliant with the [Web Content Accessibility Guidelines version 2.2](#) AA standard, due to the non-compliances, 'the exemptions' or 'the non-compliances and exemptions' listed below.

### **Non-accessible content**

The content listed below is non-accessible for the following reasons:

#### **Non-compliance with the accessibility regulations**

We may have some scanned PDF documents and images on our website e.g. our Annual Governance and Accountability Returns (AGARs). Scanned PDF documents do not comply with the Accessibility Regulations 2018 but these documents can be provided in an alternative format or on alternative media, on request.

#### **Disproportionate burden**

- there's a limit to how far you can magnify the map on our 'contact us' page
- It's not possible for users to change text size without some of the content overlapping.

We've assessed the cost of fixing examples of issues as described above and believe that doing so now would be a disproportionate burden within the meaning of the accessibility regulations.

### **Content that's not within the scope of the accessibility regulations**

#### **PDFs and other documents**

Some of our PDFs and Word documents are essential to providing our services. For example, we have forms published as Word documents.

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services. For example, we will not be fixing minutes from historical council meetings.
